IMPORTANT VENUE RULES AND REGULATIONS PAGE 1

Important Venue Rules and Regulations for a Stress-Free Day
To help everything flow beautifully we kindly ask you to note the following:

Chapel seating

The chapel chairs are in place and cannot be moved, stacked or rearranged due to workplace health and safety requirements for all guests and staff. This preserves the charm and setting of the chapel for your ceremony and keeps everyone safe.

Chapel Styling

For ceremonies inside the chapel, additional styling such as DIY corner arbours or top arbours are not permitted for safety reasons.
(This regulation doesn't apply if your florist is onsite to hang them)

Couples are welcome to choose and bring either floor arrangements or side floral feature (not both).
(This regulation does apply if your not having a florist)

Restaurant tables & styling:

Due to table space restrictions, your elopement table is thoughtfully styled by our team and can't be altered, restyled, or decorated with additional items brought in by couples such as large glass cylinders and candles or large floral arrangement's etc. This ensures a seamless and elegant presentation for your celebratory lunch.

We will supply 5x bud vases for your reception - BYO flowers,
and 6x tealight candles.
This allows you to add a colourful personal touch while keeping everything beautifully cohesive.

We truly appreciate your understanding. These guidelines allow us to keep the venue looking its very best, while ensuring your day is relaxed, effortless, and filled with joy.

Please note: venue is open to the public during elopements.
